Proposed new director:

Sharon Metha: I am a 68-year-old mother of 3 grown up children. When I was a central government civil servant I studied for an MSc in ergonomics with a particular interest in inclusive and holistic management of change. This interest in inclusivity continued in my capacity as a school governor and member of 2 Kingston LA committees. Moving to the area just over 3 years ago, I became actively involved with FoHL. I am interested in supporting HUG's ethos of aiming to improve the environment and quality of life for the people and our community in Ham and Petersham.
